AOB

Martin Kelly spoke on three topics:

1. He praised the idea of 2 x 9 hole competitions during the winter
2. Handicaps in such competitions should be to the half rather than being rounded up
3. BRS treatment of outsiders should be more diligent as visitors can have a no show and not have to pay but a member on no show does. Suggests maybe collecting credit card details to secure the booking.

As there were no more items for discussion, the chairman proceeded to close the meeting.

He particularly thanked Gerry Healy for his time and energy given over the last few years as Honorary Treasurer and wished him well

He thanked Ray for all his work done during the year also and felt we had not seen the end of him yet.

The meeting began at 1907hrs and ended at 1926hrs

The total number of attendees at the Men's AGM 2018 was 66..

The meeting was then closed.
