COMPETITION NOTICE

1. Competitors must check in with the Pro-Shop before commencing play in all competitions. In singles competitions you must ensure that your GUI/ILGU card has been swiped prior to playing in all 18 holes single competitions. Failure to do so will result in disqualification.

A competition is deemed to be over when the result is announced. It is the player's responsibility to ensure his/her correct handicap is on their score card.

2. Except when a Time Sheet is in operation, or an exception has been advertised in advance, competitors playing on Saturday or Sunday competitions must commence play not later than 4.00pm.
3. All competition cards must clearly show the competitor's name, handicap, the gross score at each hole and the signature of the competitor and marker. Cards must be fully completed before entering the Clubhouse or Locker Room after finishing play. Completed competition cards must be posted in the special box set aside for that purpose within 30 minutes of completion of the competition – or if two competitions are being played – 30 minutes after the latter competition being completed.
4. Competition cards must be filled in on the course after each hole has been played. In exceptional circumstances where it is deemed advisable to submit a copy, the original card must be posted with the copy, the latter clearly marked "COPY". In all competitions scorecards must be marked by a player with an official GUI/ILGU handicap. In the case of a Juvenile marker they must be eligible to compete in the competition for which the card is being marked.
5. Competitors must be a member 12 months to be eligible to win the Captain's Prize or President's Prizes. All members must have competed in a minimum of three Qualifying Competitions during the current season in order to be eligible to win the Captain's Prize or President's Prize.
6. On any day when a 'mixed' stroke play competition follows another competition, practice will be permitted on the competition course, prior to competing in the 'mixed' stroke competition. As per note to Rule 5-2 (a) and confirmed by the R&A.

Golfer of the Year for Men's Club

Points will be awarded for all qualifying events (Monthly Medals and selected Competitions) indicated in diary as GOY as follows:

For each event 1ST Place = 25 pts, 2ND Place = 24pts, 3RD Place = 23pts and in descending points order to 25TH Place = 1 pt. Golfer of the Year will be awarded to the player who has accumulated the highest points for all qualifying events played at the end of the year.

Gross Golfer of the Year Men's Club

The same scoring principle as Golfer of the Year (above) applies. Points are awarded for best placed Gross scores in all qualifying GOY events starting from 25 pts for the Best Gross down to 1 point for 25TH best gross score on the day.

However, rather than the actual scores counting, the winner of the Gross Golfer of the Year (decided after the October Medal) will be based on the players best GOY Gross points achieved in a maximum of 5 events

PRIORITY ON THE COURSE

1st Tee Box: In the absence of a time sheet, members should always give priority to the Captain and Lady Captain.

Outside of competitions, and unless otherwise determined by the committee, priority on the course is determined by a group's pace of play. Any group playing a whole round is entitled to pass a group playing a shorter round. The term "group" includes a single player.

If a match fails to keep its place on the course by losing more than one clear hole on the players in front, then it should allow the match following to pass.
